Help us reach our $250k goal

As 2025 comes to a close, we're getting close to our year-end goal of raising $250,000 to empower communities across India.

This year, during one of our girl's education programs, something beautiful reminded us why this work matters so deeply. A student named Khushbu shared that in her loneliest moments, she found comfort not only in friends, but also in the quiet presence of a neem tree outside her hostel. "One day, sitting under a neem tree, I felt calm—like the tree was listening to me," she said. That sense of being seen and supported, even in silence, is what your generosity makes possible for so many young people.

There is still time to make a 2025 tax-deductible donation and stand with us in creating a more equal world where everyone has opportunity and dignity.

Our Impact & Programs

Your generosity fuels our Signature Programs, including:

- **Educate 2 Success (E2S) & Educate 2 Graduate (E2G):** Supporting students at risk of dropping out and providing STEM scholarships for talented college students.
- **Healthcare 2 Unreached (H2U):** Improving access to quality healthcare, preventative screenings, and crucial health education in underserved communities.
- **Women Empowerment (WE):** Combating gender inequality through education, self-defense, and financial independence.

Together, these efforts support sustainable change in marginalized communities in India and reflect our shared belief that it is our social responsibility to uplift those most in need.

Trust, Transparency, and Tax Deductibility

As you consider your final gifts of the year, we know that trust and transparency matter. The Share & Care Foundation is a registered nonprofit, and your year-end contribution is tax-deductible to the extent allowed by law.

Your support is invested in carefully vetted projects and programs, including options like donor-advised giving that allow you to create a lasting legacy by supporting a project that is meaningful to you.

Your gift today, in any amount, will help us:

- Reach our $250,000 year-end goal
- Sustain and expand our programs across marginalized Indian communities
